

CONTINUOUS IMPROVEMENT OF OUR SERVICES!

ECM* MATISA CERTIFICATION **WE ARE CERTIFIED!**

The European Regulation **2019/779** establishes a system for the certification of Entities in Charge of Maintenance for all Rail vehicles in the European Union and also in all **OTIF** Member States.

The implementation of the 4th railway package includes an important part on railway safety. The definition of the safety responsibilities of the those in the railway industry is clarified and clearly defined. This also applies to maintenance vehicles for railway infrastructure.

We are proud to announce that MATISA Matériel Industriel S.A. has met the requirements with great professionalism and has obtained the **ECM 1 certificate as well as the Maintenance Certificate for functions 2, 3 and 4.**
